National Educational Alliance for Technology (NEAT 2.0) :
A Scheme for using Technology for better learning outcomes
<https://neat.aicte-india.org>

**Expression of Interest by Education Technology
Companies offering Solutions of better employability**

Artificial Intelligence can be used to make learning more personalised as per the requirements of the learner. Several 'Education Technology (Ed-Tech) Companies' have developed technologies in Adaptive Learning to address the diversity of learners and/or are offering certification in highly marketable skills.

Expression of Interest (EoI) are invited from Ed-Tech companies offering solutions for better learning of students of HEI, leading to employability. The Scheme is approved by MHRD and All India Council for Technical Education (AICTE) is the implementation agency.

Interested Ed-Tech companies can share their Expression of Interest (EoI) through an online portal at <https://neat.aicte-india.org> from 10th July 2020 to 14th August 2020.

Selected education technology solutions would be showcased on the NEAT platform, developed by AICTE, thereby enabling wide outreach among the learners.

Detailed documents regarding the alliance for the EoI may be downloaded from the AICTE website at <https://neat.aicte-india.org>. The portal would be open from 10th July 2020.
